

Revelstoke Board of Education
KINDERGARTEN REGISTRATION
February 20th – 24th, 2012

Parents of Children born in 2007 ~ your child is eligible for Kindergarten in September 2012.

In order for the school district to plan for Kindergarten programming and staffing, we will be conducting our annual district-wide Kindergarten registration from February 20th, 2012 – February 24th, 2012.

Parents must register children at their neighbourhood school. If a placement to another school is desired, parents must still enroll at the neighbourhood school and apply for a cross boundary placement through the principal. Registering at a particular school does not necessarily mean that the student will attend that school. Provincial class size limits are in place for Kindergarten and the placement of students is guided by the district's Student Admission and School Choice policy.

It is important that we register all children during the week of February 20th, 2012 to February 24th, 2012.

Information regarding Kindergarten programming is available on the Ministry of Education website at http://www.bced.gov.bc.ca/early_learning/fdk/.
