SCHOOL ZONE SPEED LIMITS

- School zone speed limits of 30 kilometres per hour are in effect from 8:00 a.m. to 5:00 p.m., beginning September 7th, 2011.
- School bus flashing red lights mean **STOP** from either direction.
- Please remember that children are on both sides of the road, and they are counting on you to stop when their bus has the red lights flashing.
- It is a motor vehicle violation to pass a school bus when the red lights are flashing. We report all violators to the R.C.M.P.
- Parents - Please remind your children they should not cross the road until they have eye contact with the drivers.

ADJUSTMENTS TO BUS SCHEDULES

Adjustments to bus schedules may be made after the first week of operation and will be dependent upon the number of students on each route.
