1. Correspondence

To date, two individuals have submitted email correspondence regarding Newsletter #3 and the potential school sites. The correspondence was reviewed by the committee.

2. Other

Superintendent Cooper provided an update as to the work the architect is doing on the Feasibility Study. The architect is currently costing out the options as articulated in Newsletter #3. She drew to the committee's attention that the cost of the options would be a factor in the Ministry's consideration. The Ministry tends to want to build new facilities if the cost of a renovation and addition is approximately 80% of the cost of a new facility.

3. Newsletter #4 Topics

In terms of newsletter #4 topics, the Committee thought that we should do a "What's Happening" update that included a description of the architect's work regarding costing options and well as reminding folks that they can provide feedback at any time to through the following means:

Questions / Concerns

The Principals of Mount Begbie Elementary and Mountain View Elementary will be collecting questions and concerns which we will be presented to the steering committee. Please direct your comments to:
