

July 9th, 2024

Dear School Community:

As Superintendent of Schools, I want to take a moment to express my heartfelt appreciation for your support and dedication throughout the 2023/24 school year. Your contributions have been invaluable, particularly in the development of our New Strategic Plan and the Restriction of Digital Devices Policy. Every piece of feedback has been thoroughly reviewed and has played a crucial role in shaping the innovative and well-rounded pathways for our educational system in Revelstoke.

To our brilliant students, from the littles to the bigs, your hard work, determination, and resilience throughout the year have been truly inspiring. Your curiosity and quest for knowledge give us confidence in the future of our communities, both local and global. Did you know, kindergartners, that your words of wisdom were shared with the graduating class this year? We all play important roles in supporting one another. Have a wonderful summer with friends and family. Enjoy swimming in the lakes, exploring nature trails, and visiting museums and libraries.

To families and caregivers, thank you for entrusting us with your child's education and for your continuous involvement. From reading to your child each night to coaching, volunteering, and participating in PAC, your commitment to their success is invaluable to our shared achievements. Have a great summer, and I hope you find time to relish the joys of summer with your loved ones.

To our staff, I would also like to extend my gratitude to our dedicated educators, administrators, and support staff who have worked tirelessly to provide an enriching and inclusive learning environment. Your dedication and commitment to excellence have made our schools a shining example of educational success. Have a well-deserved break, even though we know summer courses, workshops, and planning might be part of your schedule. Do take time to recharge!

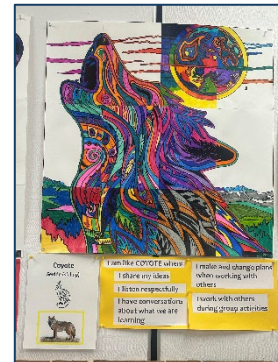

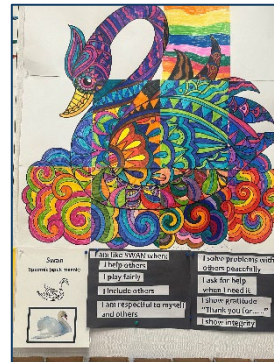

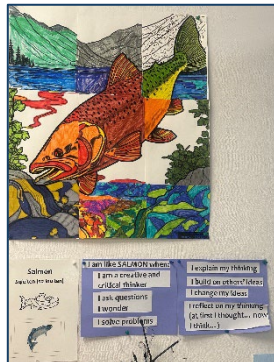

Finally, I want to express my appreciation to our wonderful community and Early Learning partners for your continuous support and collaboration. This longstanding partnership has been instrumental in fostering an environment where our students thrive, grow, and succeed. Together, we create a path to lifelong success for our youth.

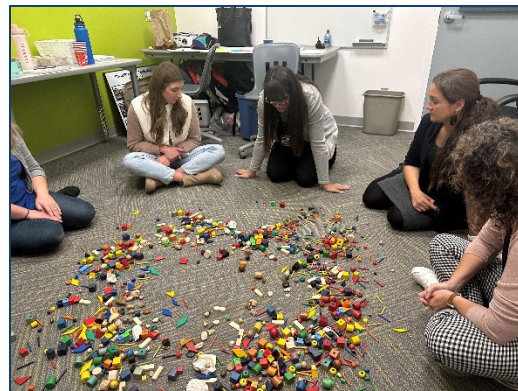

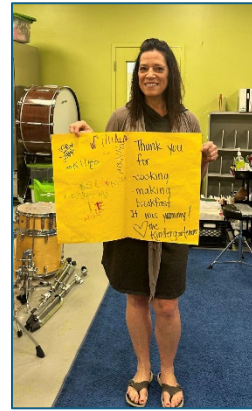

As we welcome in summer, may the sunshine and refreshing rain fill your days with adventure, laughter, and joy. Stay safe, stay curious, and stay connected.

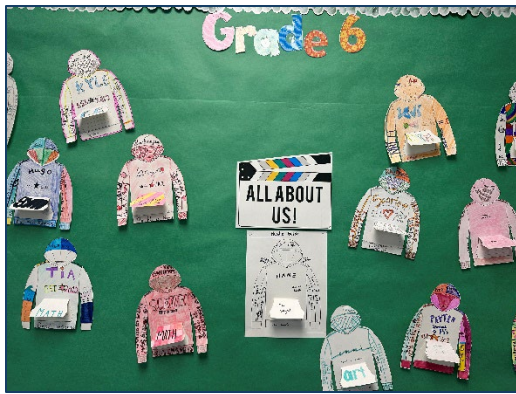

Best,

Roberta Kubik

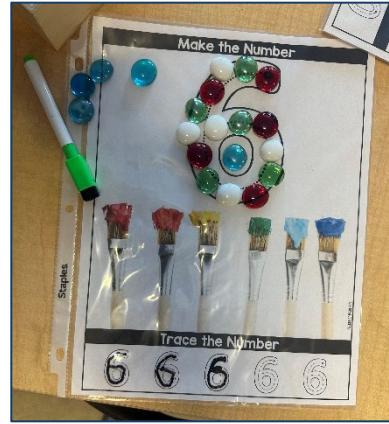

Superintendent of Schools
