

Dear Parents, Guardians, Staff, and Students:

I hope you all had a chance to slow down and relax over the rainy weekend! Sometimes the rain gives us the perfect opportunity to take a breather and recharge. As we start this new week, I wanted to let remind you of the following meeting;

A community meeting will be held on October 22, 2024, at 6:30 pm at MacPherson Court (second floor by the main office) at RSS to discuss the draft policy on the Restriction of Personal Digital Devices. Everyone is welcome to attend and share their feedback. We greatly value your input and have incorporated responses from the June 27 survey into the draft policy.
