ADMINISTRATION REPORTS

SUPERINTENDENT GOSLIN

Administration Reports: Superintendent Goslin

Superintendent Goslin presented his Administration Report to the Board, highlighting

- Student enrollment – currently 1,102.56 FTE
- School events – Terry Fox Run, National Day for Truth and Reconciliation

- Conferences:
 - Staff Bargaining
 - BCSSA regarding Ombudsperson report on students not in school
 - ELCC Leads Community of Practice
 - BCSSA Virtual Learning Session on the "Hope Gap" – the gap between actual world growth and the inability to find good news
- Community partners engagement
- District meetings
- School visits – including support during power outage
- Completion of Framework for Enhancing Student Learning report

An inquiry was raised regarding safety plans for emergency lighting in the schools during power outages. Secretary Treasurer Tisdale reported that although the schools have backup lighting, they only operate for a short period of time. The district is building up an inventory of portable lights to use in schools during power disruptions.

Class Size Report

Superintendent Goslin presented the Class Size and Non-Enrolling report, noting that the current district student FTE is 1,102.56, not including international and Francophone students. Final numbers will be updated at the next Board meeting to include designated, ELL, and Indigenous students. He also added that the 2024/2025 and 2025/2026 class sizes will be available for the next Board meeting,

There are 2 classes in remedy at Columbia Park Elementary and 3 classes at Begbie View Elementary. A question was raised regarding the BVE class size chart, which indicates "0" spaces, although 3 classes remain in remedy. Superintendent Goslin will follow up.

Trustee Chell commented that the district's class sizes are much lower than the ratios outlined in the new RTA collective agreement, highlighting that this is a staff choice and beneficial for students. He also noted that he is pleased to see academic courses with smaller enrollment offered at RSS.

Enhancing Student Learning Report 2026/2027

Superintendent Goslin provided an overview of the Enhancing Student Learning Report 2026/2027. Student data is collected and reviewed to identify successes and focus on areas where learning improvement is needed for all students.

Superintendent Goslin highlighted that:

- There are no children or youth in care
- No Indigenous students living on reserve
- Data is masked to protect the identity of students when number of students is low
- Student participation rates are high
- Social development remains at or above provincial averages
- Numeracy and literacy results are above provincial averages, including students with designations
- The completion of the Dogwood remains high, including students with designations

A concern was raised regarding report card data. Elementary students report card marks are lower than the results on provincial assessments, while the high school report card marks are higher than the results on provincial assessments. Superintendent Goslin will follow up regarding this data.

Additionally, he noted that it is difficult to provide accurate data for students transitioning to post-secondary education, as most move away to Alberta.

Superintendent Goslin thanked previous superintendent Kubik for her work on the FESL report.

26: R-259 Allen/Rota

“THAT the Board of Education of School District No. 19 (Revelstoke) approve the 2026/2027 Enhancing Student Learning Report as presented.”

CARRIED

RSS Out of Town Trip – Halifax, NS

Superintendent Goslin presented a memo from Principal Greg Kenyon on a proposed six-day trip that the Music department at RSS is planning to Halifax, Nova Scotia, from April 26th to May 1st, 2027, for band students. Principal Kenyon reviewed the details and is satisfied that all participants have medical and travel insurance.

26: R-260 Rota/Walsh

“THAT the Board of Education of School District No. 19 (Revelstoke) approve a group of Revelstoke Secondary School band students participating in a school trip to Halifax, Nova Scotia, from April 26th, to May 1st, 2027, in accordance with Policy 7.4.”

CARRIED

School Aged Care Survey

Superintendent Goslin reported that the BC Ministry of Education and Child Care funds an Early Learning and Child Care (ELCC) Lead in each school district in BC. ELCC Lead, Jillian Fransoo, is working with local early learning partners to develop and implement a survey and assess childcare needs in Revelstoke. This new district survey will benefit the district in understanding the current and future need of families and benefit community partners.

COMMITTEE REPORTS

Policy Review Committee Minutes of September 28th, 2026

Superintended Goslin presented the minutes of September 28th, 2026. He noted that the committee reviewed feedback received for Policy 5.6 Sexual Orientation and Gender Identity. Corrections were made, and the revised policy will be reviewed at their next meeting.

Amendments to the minutes: add Trustee Allen to the attendance, and correct the timeline for Policy 5.15 Personal Digital Device, to Spring 2027.

26: R-261 Allen/Rota

"THAT the Board of Education approve the Policy Committee minutes of September 28th, 2026, be approved as amended.

CARRIED

Education Advisory Committee Minutes of September 29th, 2026

Trustee Walsh presented the DPAC Minutes of September 29th, 2026, and noted that the meeting began with introductions, and was well organized.

What's Happening at Schools?

There has been a lot that has been happening in schools over the past few weeks. A couple of big highlights:

Cross Country Run

- All of our elementary schools as well as Ecole Des Glaciers held a cross-country race for all the student participating. The final one was held at Nels Nelson.

Parent Conferences

- All schools held parent conferences this past week, allowing parents and teachers to work together to support the students.

Pro-D Day – October 23

- RTA staff took part in the Provincial Pro-D day. As this was a provincial day, there were multiple different activities occurring. Education Assistants took part in Pro-D that was facilitated by Jillian Fransoo.

School Culture Building

- Schools have been working to support building culture in their buildings. These are in support of the School Learning Plan. In highlight, there is a video created by Arrow Heights Elementary students around their CARES program.

Framework for Enhancing Student Learning

- Now that the Framework is complete for the 2025-26 school year, we have begun work on the 2026-27 Framework. We are currently building School Learning Plans (SLP) that are responsive to data and building in review from the 2025-26 SLPs to inform our understanding.
- We are reviewing data for this year already, looking at the DIBELS screening data for Grade 1 – 3 for reading. Other data will be coming in on November 15.

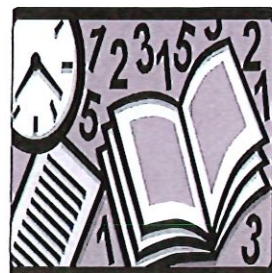

SCHOOL DISTRICT NO. 19 (REVELSTOKE)

TO: All Trustees

FROM: Glenn Goslin, Superintendent of Schools

DATE: October 27, 2026

SUBJECT: Class Size and Designations Update

Each year on September 29, the district collects the information for students within our district. This is collected into the 1701, which calculates the Full-Time Equivalent (FTE) of student enrollment to determine provincial operating grants and funding allocations.

We provided a final submission of this information is October 9, 2026. We received a response from the Ministry of Education and Childcare that highlighted any duplicate students in the Provincial database. This was then reconciled and has had final submission to the Ministry.

This report collects class sizes at all grades, broken up by school. This update also includes students with Inclusive Education designations, English Language Learners and Indigenous students, both what was projected and what our actual numbers are for the district.

The Full Time Equivalent of students in the district, currently 1104.44 does not include the 28 International Students or the 23 students from the Conseil Scolaire Francohone (SD93), who attend Revelstoke Secondary School.

Superintendent of Schools

Projected Designations verses Actual Designations for 2026-27 School Year

Some of our students are designated for different purposes and funding through the Ministry of Education and Childcare.

Indigenous Education – to have an Indigenous Education designation – a student must self-identify as being of Indigenous Ancestry, and the school district must record required consultation and program criteria

English Language Learning – to have an English Language Learner (ELL) designation, students must have a primary home language other than English, undergo an annual language proficiency assessment and require specialized school support to access curriculum. Students only receive ELL funding for a maximum of 5 years.

Inclusive Education Designations – to be designated with an inclusive education designation, students need to have a matching diagnosis and an active Individual Education Plan (IEP). There are four (4) categories of designation

- **Level 1** – Physically dependent or Deaf/blind
- **Level 2** - Moderate to profound intellectual disabilities, physical disabilities, chronic health or visual impairments, deaf or hard of hearing or autism spectrum disorder (ASD).
- **Level 3** – Intensive behaviour interventions or serious mental illness
- **Base Allotment** – These designation categories are factored in by the province in the per-student operational rate

7. **Board of Trustee / District Administration News**

- **District Numbers**

Superintendent Goslin presented an overview of the district student enrollment and class size averages at schools. The school-by-school breakdown includes 200 students at AHE, 273 at BVE, 221 at CPE, and 409 at RSS. Additionally, there are 27 International students and 23 students in the EDG (at RSS) program. Average class size range from 16 to 20 at elementary schools and from 11 to 29 in RSS. The total number of students is 1103 Full Time Equivalent.

- **About the New Superintendent**

Superintendent Goslin introduced himself and shared a brief summary of his background.

- Strategic Plan Update

Superintendent Goslin reported that the 2026/2027 Enhancing Student Learning Report is complete, using data collected over the last school year. Now that it's complete, the next step is to figure out what do we do with this data to best support student learning. Superintendent Goslin will review the report and identify successes and focus on areas where learning improvement is needed for all students. The findings for this data will be presented at the next meeting.

- Election(s) Upcoming

School Board Trustees elections will be on October 17th, 2026. A total of six candidates are running for the five seats. An All-Candidates Forum was held at RSS on October 5th, which was attended by approximately 25 community members.

8. **OLD BUSINESS**

- RSS Cell Phone Education Video Presentation

A student-led video addressing the impact of cell phone use and screen time on student's lives, which DPAC supported last school year, was presented. PACs will view the video first and then will be shared with students, with a follow-up of questions and answer session.

- Bylaws and Constitution

Action: A copy of the Bylaws and Constitution will be provided at the next meeting to discuss what needs to be changed.

9. **NEW BUSINESS**

- Request for a New Chair

There was discussion that more members are needed to fill positions. PACs will ask at their upcoming meetings if anyone would like to join the DPAC. To help attract new members, it was suggested sending a survey to parents to help them understand what the PAC actually does and see how they might want to get involved.

- Upcoming Positions in November

- Chair
- Secretary
